MEMORY CARE ON SPERET HALL

Specialized Care Units for those with Memory Loss

Our mission is to help people through the maze of clinical and emotional issues that arise when the diagnosis is some type of dementia. We help our patients feel at home, comfortable and satisfied... so their families can relax. We help by offering education and support. We help by assuring that there are places to go and things to do that are interesting, engaging and purposeful every day. We provide a home away from home that is safe and our real goals are about hope, joy, laughter and love.
