## MEMORY CARE ON SPERET HALL

### Specialized Care Units for those with Memory Loss

Our mission is to help people through the maze of clinical and emotional issues that arise when the diagnosis is some type of dementia. We help our patients feel at home, comfortable and satisfied... so their families can relax. We help by offering education and support. We help by assuring that there are places to go and things to do that are interesting, engaging and purposeful every day. We provide a home away from home that is safe and our real goals are about hope, joy, laughter and love.

## TRANSITIONAL CARE UNIT

Lanfair's TCU state of the art center was designed with post surgical private suites for patients transitioning home. Our rehabilitation director, certified orthopedic nurses and clinical team work directly with your physician to customize your unique therapy program.

\* Physical Therapists and Physical Therapy Assistants have received the National Institutes of Health (NIH) Stroke Scale Certification.

\*\* National Alliance of Wound Care Certified Wound Care Specialist. This national, accredited certification provides the qualification to deliver the highest standard in wound care.
